Faith Community Nursing is a specialty of the American Nurses Association that focuses on the intentional care of the spirit. Faith Nurses incorporate nursing skills, public health concepts, and spiritual expertise in order to provide whole person care – body, mind and spirit to those they care for. Registered nurses of all faith traditions are encouraged to enroll in the Foundations of Faith Community Nursing course offered by Hoag Health Ministries. Upon completion of this course you will be equipped to provide spiritual care, promote integrative models of health and disease prevention, and minimize illness within the context of a faith community. The five-session course involves individual self-paced study, including assigned readings and homework projects, combined with an interactive classroom experience via Zoom.

The following cost includes textbook and materials; payable by check or cash.

Hoag Partner Faith Nurses	\$150
Hoag RNs/ Spirituality Conf RN Attendees	\$250
All other RNs	\$350
Health Ministers (non-licensed; limited availability)	\$150

This course has been approved by the California Board of Registered Nursing for 37.0 Continuing Education hours upon successful completion of all course material. Provider #00146.

The participant must attend all 5 sessions to receive CEU credit. No partial credit will be awarded. Each participant should determine whether the course meets the requirements for continuing education by their state's licensing organization.

Class size is limited to 16 attendees. Registration opens April 7th. All paperwork and payment must be received by May 21, 2021. No refunds after May 21; in case of cancellation after May 21 enrollment fees may be applied to a future Foundations of FCN course. Fall dates to be determined.

For registration, fees, and program details please contact Rebecca.Salgado@hoag.org
