

Spiritual Care Services

At Hoag Family Cancer Institute we offer support and care for the wellbeing of the whole person – body, mind and spirit. Spiritual care services are offered to meet the spiritual and emotional needs of patients, families, employees and the community at large.

In partnership with Hoag's Pastoral Care department we offer a ministry of compassionate spiritual guidance, prayer support and empathetic listening throughout the cancer journey – and for all levels of faith.

In our ongoing commitment to holistic cancer care we also offer our Spirituality Series as part of our Survivorship program. These seasonal sessions allow patients, caregivers and family members to have intentional thought provoking discussions to mindfully explore the hidden wholeness of our souls.

If you or a family member would like to speak with Chaplain Gerald Arata or have any questions about spiritual services please speak with a Cancer Center team member or call 949-7-CANCER.
